Prospectus 2021-22

Sacred Heart Girls' First Grade College is a Catholic Minority Institution managed by the Society of Sisters of St. Anne, Madras (SSAM). Mother Thatipathri Gnanamma, a young widow is the Founder of the Congregation. During her time, education was an unimaginable dream for young girls. Though she herself was uneducated, she realized the inevitable need for the literacy of women. She sold off all her property and invested in a school for girls in the year 1863. She is indeed a visionary of the 19th century. The Congregation has grown steadily with the establishment of Schools and Colleges down the years, working towards the empowerment of young women. Our higher educational institutions endeavor to mould the youth to grow into persons of character, competence, conscience, compassion and commitment.
